The above-referenced public notice issued by the U.S. Army Corps of Engineers for proposed work in navigable waters has been reviewed.

On June 10, 2008, the Corps submitted a Coastal Zone Management Act Consistency Determination with the Washington State Coastal Zone Management Program (CZMP). Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with the Corps' determination that the proposed work is consistent with Washington's CZMP. This concurrence is based upon the Corps' compliance with all applicable enforceable policies of the CZMP, including Section 401 of the CWA.
