RE: Trust Water Donation No. CG4-27263P@1

Dear Mr. Mickelson:

The purpose of this letter is to acknowledge your request to extend the donation of temporary trust water right No. CG4027263P@1 to the Washington State Trust Water Right Program.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b), accepts your donation in the amount of 160 gallons per minute and 56 acre-feet per year. The purpose of the donation is to benefit instream flow in the Whitestone Creek through **December 31, 2011.**

This trust water right is made possible by the fallowing of 16 acres, at the recorded place of use, being within:

That portion of Section 24, T. 31 N., R. 24 E.W.M., Okanogan County, Washington. Beginning at the NE¼ corner of Lot 8 Cashmount Valley Mini Farms Division I, as per plat thereof recorded in Volume H of Plats Section 3, Page 20, Okanogan County Records. Thence E along the S boundary of property sold to Larry Warren "Recorded Auditor File 659591; thence S along E line to point which bears E from the SE¼ corner of Lot 16 Cashmount Valley Mini Farms Division I; thence W to SE¼ corner of Lot 16; thence N along E boundary of Lot 16 to the NE¼ corner; thence W to N boundaries of Lots 16,15, 14 and 13 to the NW¼ corner of Lot 13; thence NE¼ direction along E boundary of Lots 10, 9, and 8 of Cashmount Valley Mini Farms to Point of Beginning. Okanogan County Parcel No. 3124240004.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have questions or concerns, please call the Central Region's Trust Water Coordinator, Scott Turner at (509) 457-7106.
