RE: Trust Water Donation CS4-01335(C)C.

Dear Mr. Mackay:

The purpose of this letter is to acknowledge the Department of Ecology's acceptance of your donation to the Washington State Trust Water Right Program. The trust water right has been assigned control number **CS4-01335(C)C**. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b) accepts your donation in the amount of 97 acre-feet per year. The purpose of the donation is to benefit instream flow of the Snake and Columbia Rivers from April 1 to October 31 each year. The donated water will be made available by the fallowing of acreage and/or crop rotation.

This trust water right expires on December 31, 2034.

The recorded place of use for the purpose of irrigation is located within W½ of Section 9, and the NE¼ 0f Section 17, all within T. 9N., R. 33E.W.M., Walla Walla County.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h) and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the donated water right will revert back to the water right holder or landowner. To the extent that the donated water right represents a valid water right, the water right holder or landowner may resume exercising the right in a manner consistent with the original purpose(s).

If, prior to expiration of this temporary donation, you would like to extend the donation, please send us a written request. If you wish to modify any terms of your donation, your letter must include the new terms.

If you have questions or concerns, please call the Office of Columbia River Trust Water Righs Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at patricia.kirk@ecy.wa.gov.
