RE: City of Kelso Comprehensive Shoreline Master Program Update – Acceptance of Department of Ecology's Require and Recommended Changes

Dear Ms. Bellon:

The City of Kelso has reviewed the required and recommended changes identified by the Washington State Department of Ecology to our updated Shoreline Master Program. The City agrees with these changes and has incorporated them into the Program documents. On April 19, 2016 the Kelso City Council will consider an ordinance to adopt the updated Shoreline Master Program following Ecology's final action.

We appreciate the hard work of Ecology's staff and look forward to completing the update process. If you have any questions please contact Mike Kardas at (360) 577-3376 or mkardas@kelso.gov.

Thank you,

Steve Taylor
City Manager
