

Waste Tire Projects 2011-2013

The following tables identify where Ecology spent Waste Tire Removal Account funds for pile removals, amnesty events, enforcements, cleanups and studies from 2011 to 2013. The more recent projects are listed in the first table.

Contracted Waste Tire Projects – 2012-2013

Projects listed in the following table are managed through an Ecology contract with Tire Disposal and Recycling, Inc. (from Portland Oregon). For these projects, Ecology funds all costs associated with the tire effort undertaken by the contractor. Costs incurred by the local government are not reimbursed.
