RE: Extension Request for Trust Water Donation No. CS4-SWC1227, Klonaqua Lake Reservoir Water Release

Dear Mr. Jantzer:

The purpose of this letter is to acknowledge your request to extend the above referenced temporary trust water donation for an additional year.

The Department of Ecology (Ecology) pursuant to Chapter 90.42.080(1)b accepts your request to lengthen the term of Trust Water Donation CS4-SWC1227 by an additional year under the same terms and conditions expressed in the original donation acceptance letter dated April 18, 2016.

The new expiration date for the donation is March 31, 2018.

Please keep in mind that under RCW 90.42.080(4) the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years prior to the original donation period.

If, prior to expiration of the temporary donation, you would like to extend the donation once again, please send us a written request. Also, if you wish to modify any terms of the donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have questions or concerns, please call the Office of Columbia Rivers Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at patricia.kirk@ecy.wa.gov.

Sincerely,

Mark C. Schuppe, Operations Manager
Office of Columbia River
