THIS MAP IS FOR GENERAL INFORMATION ONLY.

Shoreline jurisdiction boundaries depicted on this map are APPROXIMATE. They have not been formally delineated or surveyed and are intended for planning purposes only. Additional site-specific evaluation may be needed to confirm/verify information shown on this map.

The (County Wetland Inventory) CWI Wetlands shapefile was created from paper maps with wetlands drawn on them over the years from various sources in the Pierce County Planning department, August 1999. Delineated Wetlands Source: Taken from existing As-Built Plans from past projects for the City of Orting.

Floodways: FEMA 1996
All other data layers obtained from Pierce County GIS, 2005. No warranty is made concerning the accuracy, currency, or completeness of data depicted on this map.
