Subject: Mosquito Control Permit Comments

Dear Mr. Jennings,
I am a resident of Benton County and was made aware of the NPDES permit and how the draft as currently written will not allow the control of nuisance mosquitoes. This would be create a huge and in my opinion a dangerous (west nile) problem on my property.
I urge you to rewrite the permit to read "The Permittee is authorized to discharge incidental amounts of adulticides and their residues to waters of the state for nuisance and vector mosquito control".
Thank You.
