

ENVVEST Community Advisory Committee Meeting

Norm Dicks Government Center, Council Chamber Room

345 – 6th Street, Bremerton, WA

Thursday, June 15, 2006, 7 p.m. to 9 p.m.

AGENDA

Purpose of meeting: Convene the Community Advisory Committee and further the working relationship between interested community members and the organizations responsible for managing environmental activities related to ENVVEST; provide information and receive community input about content and processes for interaction.

Objectives:

1. Understand process and status of fecal coliform Water Cleanup Plan*, including ENVVEST Project Water Quality Improvement Plan support activities.
2. Understand water quality improvements resulting from Bremerton's wastewater system upgrades.
3. Learn about Kitsap County Public Works' stormwater educational outreach efforts to improve water quality.
