Agenda

Spokane River DO TMDL Implementation – Advisory Committee Meeting

November 3rd, 9:00 AM – 12:00 PM, Spokane Regional Health District

9 – 9:10	**Updates** • WA Permits • Definitions added • Updated schedule • Meetings between IDEQ/Ecology/EPA • ID/EPA Settlement Conference on 10/29 • Non-Point Source Study
9:10 – 9:45	**What will be considered a trade?** Helen Bresler • Point source to point source • Point source to nonpoint source • Within a single entity
9:45 -10:25	**Establishing phosphorus reduction needs beyond technology** • Scenario: If technology meets 50 ppb TP on a seasonal average, what is additionally needed to meet 50 ppb TP on a monthly average? Dischargers: please be prepared to talk about estimated phosphorus reduction needs beyond technology availability • Recommendations, approaches for quantifying these needs? • Specific challenges, e.g.—seasonal variability, sampling, etc.
10:25 – 11:00	**Identifying phosphorus reduction opportunities for trading framework** Kelly Susewind & David Moore • Opportunities as identified in TMDL – Handout from 8/23/10 meeting. • Committee input regarding best places to focus efforts.
11:00 – 11:30	**Early thoughts on how ratios will be modeled** Tony Whiley • Draft Ecology memo
11:30 – 11:45	**Future meeting topics** Dave Moore • Eligible BMPs • NPS Study Update • BAP Study Update • Mock scenarios • Quantify pollutant reductions • Establish trading scenarios
11:45 – 12:00	**Open floor**
