

ENVVEST Community Advisory Committee Meeting

Kitsap Fairgrounds Events Center – Parks Office Training Center
1195 NW Fairgrounds Road, Bremerton, WA
Thursday, October 19th, 2006, 7 p.m. to 9 p.m.

Agenda

Purpose of meeting: Convene the Community Advisory Committee and further the working relationship between interested community members and the organizations responsible for managing environmental activities related to ENVVEST; provide information and receive community input about content and processes for interaction.

Objectives:

1. Learn about WA State Department of Fish and Wildlife study on fish out-migration in Sinclair Inlet.
2. Learn about efforts of the Kitsap Trees and Shoreline Association.
3. Understand process and status of Fecal Coliform Water Cleanup Plan, including Project ENVVEST support activities.
4. Review Bylaws, elect new Community Co-Chair, plan 2007 meeting schedule.
