

### *30 Second Lit Cigarette Radio Script*

SFX: ROAD NOISE, SOUND OF CAR ENGINE, DISTANT HONKS

WOMAN: 'You, look at that jerk! He just tossed a lit cigarette out of his car.

MAN: Relax, don't worry about it.

WOMAN: What are you talking about?! He could start a fire. Man, it makes me mad when somebody tosses a cigarette in my face.

MAN: Well, look behind you.

SFX: SOUND OF DISTANT SIREN, GETTING CLOSER & LOUDER

(laughing)

ANCR: Want to litter? Fine. It'll cost you \$194 for not securing your truckload or as much as \$1025 if you get caught tossing a lit cigarette. Litter and it will hurt.

MUSIC UP AND UNDER

WOMAN: Did you see the look on her face?

MAN: Smoking will do that to you.

WOMAN: So will a ticket.
