

Draft Sediment Cleanup Users Manual II Technical Workshop

July 31, 2014 9:00 AM – 1:00 PM

NWRO Department of Ecology (Rooms 1A – 1C)

3190 160th Avenue SE Bellevue, WA

Ecology Attendees: Pete Adolphson, Ivy Anderson, Chance Asher, Dave Bradley, Dawn Hooper, Laura Inouye, Russ McMillan, Teresa Michelsen, Avocet (Ecology contractor), Lorraine Read (Ecology contractor)

Purpose of Workshop: This workshop is the second of three to be held on the draft SCUM II guidance. The workshops are intended to be solutions oriented, collaborative opportunities for interested persons to help Ecology resolve specified issues raised during the public comment period. Attendees will actively participate by proposing specific ideas to help resolve the specified issues and engage in thoughtful discussion amongst colleagues. Ecology will use the feedback to complete the final guidance.
