Conversation: Category 5 prioritization
Subject: 58 - Category 5 prioritization

Dear Ken:

It is my understanding that as part of the 305(b)/303(d) reporting requirements to EPA the state needs to provide a listing of the TMDL priorities over the next two years. Has a list been developed for Category 5 listing for 2008-2009?

Thanks

Steven G. Ellis, Ph.D.
