

# Final Agenda

## Deschutes Advisory Group

September 15, 2016  
9:10 a.m. – 11:35 a.m.  
311 Israel Rd. SW, Tumwater

**Facilitator:** Lydia Wagner, Department of Ecology

### Agenda

---

- |                              |   |
|------------------------------|---|
| ▪ Welcome & Introductions    | All                                       |
| ▪ Mussel Pilot Project       | Bobbi Hudson, Pacific Shellfish Institute |
| ▪ Watershed Story Maps       | Lisa Rozmyn, WSU Stormwater Center        |
| ▪ Budd Inlet Modeling Update | Andrew Kolosseus, Ecology                 |
| ▪ Roundtable                 | All                                       |

### Notes:

- **Break:** *We'll take a 15 minute break at some point during the meeting. The timing will depend on the length of the discussions.*
- **Roundtable:**
  - DAG member organizations: Please share information about activities your organization is currently doing in the watershed. For example: progress on implementation actions from the Deschutes River TMDL, ongoing or planned water quality monitoring, or education and outreach.
  - All attendees: This is your opportunity to ask questions, offer suggestions, or comment on work related to the Deschutes River watershed.
- **Next meeting:** Thursday, November 17, 2016; same time and location
