RE: Coastal Zone Management Consistency Determination for SR 520 I-5 to Medina
Bridge Replacement and HOV Project, King County, Washington.

Dear Ms. Pihlstrom:

On August 10, 2011, the Department of Ecology (Ecology) received a copy of the Federal Consistency Determination that the Washington Department of Transportation (WSDOT) submitted to the Corps of Engineers stating that the above project is consistent with the Washington State Coastal Zone Management Program (CZMP). On January 5, 2012, Ecology and WSDOT submitted an extension for the CZM review to the Corps of Engineers. Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with WSDOT's determination that the proposed work is consistent with Washington's CZMP.
