Freeland, WA 98249

RE: **U.S. Army Corps of Engineers (Corps) Reference #NWS-2004-830-NO, Order #5977**
CRSTOL Whidbey Access Road Project, Island County, Washington

Dear Mr. Stonebridge:

On June 8, 2009, the Washington State Department of Ecology (Ecology) issued you a Section 401 Water Quality Certification (Certification) for the CRSTOL Whidbey Access Road Project. On December 22, 2014, the U.S. Army Corps of Engineers cancelled your application for a Department of the Army permit to develop an access road in wetlands. Ecology is, therefore, officially **rescinding** Certification Order #5977, dated June 8, 2009.

If you have any questions, please call Rebekah Padgett at 425-649-7129.

Sincerely,

Paul Anderson, Unit Supervisor
Northwest Regional Office
Shorelands and Environmental Assistance Program
