

The Department of Ecology's Response to:  
Susan Gulick – Sound Resolutions (Comment 20)

**Listing 6935**

Commenter is correct. The listing was changed from a category 5 to a category 1 based on data from the Department of Health.

**Listings 6961, 6964, 6965, 6966, 45567, 45581**

The remarks were modified to reduce confusion over the use of newer data that did not include adequate sample size to conclude non-impairment.
