RE: Samra Farms, LLC Trust Water Donation CG4-23992(C)C

Dear Sir or Madam:

The purpose of this letter is to acknowledge the Department of Ecology's acceptance of your donation to the Washington State Trust Water Right Program. The trust water right has been assigned Application No. CG4-23992(C)C. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b) accepts your donation in the amount of 433 acre-feet per year. The purpose of the donation is to benefit the local groundwater aquifer and instream flow of the Okanogan River.

This trust water right expires on March 31, 2013.

This trust water right is made possible by the fallowing of 74 acres and a shortened irrigation season for the remaining 90 acres, at the recorded place of use, located within Sections 17 and 18 , T. 37 N., R. 27 E.W.M., Parcel Nos. 3727182007, 3727170044 and 3727170052.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If an extension of this donation is desired beyond the indicated irrigation season(s), a letter can be submitted to Ecology with such a request before the expiration date indicated above. Please include the trust water right application number, the date the extension is to terminate, and the signatures of legal land owners. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have questions or concerns, please contact Patricia Kirk at (509) 249-6299 or pkir461@ecy.wa.gov.
