RE: Trust Water Donation Application CS4-01336(B)C

Dear Mr. Ransom:

The purpose of this letter is to acknowledge the Department of Ecology's acceptance of your donation to the Washington State Trust Water Right Program. The trust water right has been assigned Application No CS4-01336(B)C. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology (Ecology), pursuant to RCW 90.42.080(1)(b) accepts your donation in the amount of 9,296 acre-feet per year. The purpose of the donation is to benefit instream flow in the Columbia River from April 1 to October 31. The donated water is made available by the reduction of water use through the practice of crop rotation.

This trust water right expires on December 31, 2035.

The recorded place of use for the purpose of irrigation is located within numerous irrigation center pivots located in Sections 23 through 28, and Sections 33 through 35, all within T. 6 N., R. 28 E.W.M. Also located within Sections 17, 19, 20, 21, and Sections 28 through 34 of T. 6 N., R. 29 E.W.M., and in Sections 3 through 6, all within T. 5 N., R. 29 E.W.M., Benton County.

RCW 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h) and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Right Program.

Ecology's acceptance of the donated water right into the Trust Water Right Program is not evidence of the validity or quantity of the right. When the period of trust ends, the donated water right will revert back to the water right holder or landowner. To the extent that the donated water right represents a valid water right, the water right holder or landowner may resume exercising the right in a manner consistent with the original purpose(s).

If, prior to the expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have questions or concerns, please contact the Office of Columbia River's Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at patricia.kirk@ecy.wa.gov.
