Methow WA 98834-9604

Dear Mr. Umberger:

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your request to extend this donation, by an additional year, to the Washington State Trust Water Rights Program for the 2011 irrigation season. This extension of trust water right will be reflected under current trust water right **CS4-ADJ32VOL5P3(A)@1**. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation of 107.78 acre-feet per year at 68.25 gallons-per-minute. The purpose of the donation is to benefit instream flow in the Methow River beginning at about River Mile 20.5 and continuing into the Columbia River and downstream to the Pacific Ocean. The term of this donation is from June 30, 2010 to December 31, 2011.

This trust water right will expire on December 31, 2011.

This donation represents the remaining rate and quantity of the underlying certificated water right, CS4-ADJ32VOL5P3. This trust water right is created by the fallowing of approximately 6.5 acres of land within the place-of-use located in the NE1/4NW1/4 of Section 21 in T. 31 N., R. 22 E.W.M.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.
