Thanks

I do intend on participating. I have a hearing in Yakima on the 30th at 9:30 so I will be at the meeting late.

One issue that I see a need to discuss is how, in the future, do we allocate the water right to specific portions of the authorized place of use as property is subdivided and/or developed. Inside a recognized irrigation entity it is not typically an issue but with individual rights outside a recognized irrigation entity it can be a challenge.

Thanks

Jeff
