
Washington Climate Change Challenge

Climate Advisory Team

Friday, September 7, 2:30 p.m. – 5:00 p.m.
Conference Call and Webinar

2:30 PM Welcome and Agenda Review (10 minutes)

2:40 PM - Review and Affirm Remaining Technical Working Group Proposals

4:00 PM Following the approach taken at the August 7 meeting, Climate Advisory Team members will be briefed on the progress of each Technical Working Group and the remaining straw proposals being presented for CAT review and affirmation. Each TWG briefing will include an update on recent TWG activities, and a high-level overview of the remaining set of straw proposals now ready for policy design and analysis. The CAT will then discuss and affirm the TWG proposals as appropriate.

- **Forestry TWG**
- **Agriculture TWG**
- **Residential, Commercial & Industrial TWG**
- **Transportation TWG**
- **Energy Supply TWG**

4:00 PM Beginning the CAT's Discussion of Issues Associated with the Recommendations on Washington's Comprehensive Climate Program, in Addition to the TWG's Options (15 minutes)

Objective: Discuss how the CAT should begin considering what other elements Washington's Comprehensive Climate Program might consist of, based on input from the webinars, results from outreach to the investment and entrepreneurial communities, Washington's involvement with the Western Climate Initiative and other initiatives, and other inputs coming from CAT members' perspectives.

4:15 PM Update on Investment and Entrepreneurial Community Outreach (10 minutes)

Objective: Provide an update on planned outreach to the investment and entrepreneurial community on how best to enhance investments that reduce carbon and spur technological innovation through the economy.

**4:25 PM Public Review and Comment Process of the Final Draft Report
(10 minutes)**

Objective: Discuss how best to provide meaningful opportunity for public review and comment of the CAT's draft final report.

4:35 PM Next Steps (10 minutes)

Objective: Provide CAT members with specific details of what will happen next in the process

- Identification of probable topics at the October 4th CAT meeting, including proposed quantification approaches by the TWG's; reviewing potential early consensus options, if any, for CAT consideration at the October meeting; and an in-depth discussion regarding a comprehensive climate program for Washington.
- Brief description of the next CAT meetings and logistics.
- Questions and answers.

4:45 PM Public Comment (15 minutes)

5:00 PM Adjourn
