

### King Tide Schedule: Winter 2011-2012

We gathered the date and time of the highest tides occurring during daylight hours in December and January. Check out high tide times for your area:

- [Washington Coast and the mouth of the Columbia River](#)
- [Strait of Juan de Fuca](#)
- [The Puget Sound](#)

Tide levels vary throughout each region. You can view our King Tide Calendar or use NOAA's [tide prediction map](#) to find the predicted height of tides in your area.

Looking for a good place to photograph high tides? [Ecology's Coastal Atlas](#) has information about Washington's public beaches.

---

### The Washington Coast and the mouth of the Columbia River

This region includes Clallam, Jefferson, Gray's Harbor, Pacific and Wahkiakum counties.

| Washington Coast and the Columbia River                    |                               |
|--|-------------------------------|
| Date   | Regional High Tide Time Range |
| <b>December 21<sup>st</sup> – December 26<sup>th</sup></b> |                               |
