Check those statements below which correspond to your project.

1. Withdrawal of certification request:

I would like to withdraw my request for certification. I do not intend to pursue certification of this project at this time.

I would like to withdraw my request for certification and re-apply for certification. I understand that this will extend the review period for this project of one additional year.

2. Changes to project:

There are no changes in my project proposal which would affect water quality.

There are changes in my project proposal that may affect water quality. (If this answer is selected, please attach a new JARPA explaining the changes and their impacts on water quality.)

I am authorized to make this request on behalf of this applicant.
