Upon implementation, we found that our new standards were not more clear, and were causing some concern. This rule change takes us back to the prior standards. We will file another rule amendment with the final soil standards in 2005. In that process, we will analyze the concerns and economic impacts.

EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
