EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The Yakima Basin is one of the state's most water-short areas. Water rights with priority dates as old as 1905 were shut off during the 2001 and 2005 droughts, including the town of Roslyn's municipal supply. Water supply in the Yakima Basin is limited and over-appropriated. Western portions of Kittitas County are experiencing rapid growth and this growth is being largely served by exempt wells. Exempt wells in this area may negatively affect the flow of the Yakima River or its tributaries.
