**RE: Coastal Zone Consistency for Corps Reference #NWS-2014-283
U.S. Army Corps Public Notice for Individual Section 404 Permit, Expansion of
Astronics Building and Parking Area Project, Kirkland, King County, Washington**

Dear Mr. Borland:

On March 2, 2015, Astronics Advanced Electronic Systems submitted a Certification of Consistency with the Washington State Coastal Zone Management Program (CZMP) for the Expansion of Astronics Building and Parking Area project. On August 31, 2015, Astronics Advanced Electronic Systems and Ecology agreed to a CZM stay until March 1, 2016.

The project entails construction of a three-story, 130,000-square-foot building, parking area, and associated infrastructure, along with mitigation for wetland impacts.

Pursuant to Section 307(c)(3) of the Coastal Zone Management Act of 1972 as amended, Ecology concurs with Astronics Advanced Electronic Systems' determination that the proposed work is consistent with Washington's CZMP.

If you have any questions regarding Ecology's consistency determination please contact Rebekah Padgett at (425) 649-7129.
