

ECOLOGY YOUTH CORPS YOUTH CREW MEMBER APPLICATION

The Ecology Youth Corps (EYC) Program is made possible through the Waste Reduction, Recycling, and Model Litter Control Act. It is funded by a tax paid by businesses which manufacture, distribute, or sell products which contribute to the litter problem.

The two types of EYC crews are:

- ◆ Road crews which clean litter and recycle materials from interstate freeways, state highways, boat launches, parks, and other public places.
- ◆ Special event crews that staff displays at public events, such as fairs and parades, to inform the public about litter prevention, recycling, and other environmental issues.

All crews participate in environmental learning activities. They may also assist in helping to promote the "Litter and It Will Hurt" campaign. Most employment occurs during the summer, although some activities occur year-round.

Applicants must: be 14-17 years old on the first day of employment; have a Social Security card and be eligible to work in the United States.

Proper completion of your application is very important. Incomplete or unreadable applications will not be considered for employment. Paid and non-paid work experience may be useful for EYC employment, but is not required.

Crew members are hired through a standardized, competitive interview process. Due to the large number of applications received, we are often unable to interview every applicant. **If you are selected for an interview, you will be notified by phone or mail.**

The Washington State Department of Ecology is an Equal Opportunity employer and does not discriminate on the basis of race, creed, color, disability, age, religion, national origin, sex, marital status, disabled-veteran status, Vietnam-Era veteran's status or sexual orientation. For special accommodation needs, please contact the Employee Services Office at (360) 407-6186. The TTY number is 711 or 1-800-833-6308.

We ask that applicants, not parents or guardians, nor school counselors, fill out the attached application.

Mail your completed application, before the regional deadline, to the Ecology Regional Office listed on the next page. Applications will not be accepted after the deadline. For more information please, call the EYC Coordinator at the phone number listed on the next page, or visit our website at:

<http://www.ecy.wa.gov/programs/swfa/eyc/cro.html>

PLEASE READ CAREFULLY:

Applications must be:

- Legible • Complete • Filled out and signed in ink
- Accompanied by two (2) teacher, school counselor, coach, or principal references.

AND

- Be received in our office before the deadline-(check our website or call our office for dates.)

If your application is found to be incomplete in any way, it may be returned or you may be entirely disqualified from recruitment this season.

Only applicants available to work for a full four-week work period will be considered for summer employment. Camps and vacations are not a good excuse to miss work when the work period is so short, and when many other teens both desire and need a job.

All EYC crew member positions are temporary. Hiring is based on our standardized interview results. You will be notified regarding your interview status.

Application Deadline Dates:

Please call our office @ (509) 454-7873 or view the Washington State Department of Ecology website at <http://www.ecy.wa.gov/programs/swfa/eyc/cro.html>

ECOLOGY YOUTH CORPS SCHOOL REFERENCE FORM

NAME OF STUDENT APPLYING: _____

Instructions to Student:

This is a 2-sided document, before mailing this form in with your application double check that both sides have been filled out by an individual school reference (teacher, counselor, administrator or coach).

Two References are required for interview consideration.

The Ecology Youth Corps (EYC) is a youth employment program administered by the Washington State Department of Ecology. The program, now in its twenty-sixth season, is open to all youth between the ages of 14 and 17. Students are paid an hourly wage to work on projects relating to litter pickup, recycling and environmental education. Teams of five or six crewmembers are each led by an adult supervisor.

Students must undergo a competitive interview before consideration by the Ecology Youth Corps program. Generally, three applicants are interviewed for each position. In some larger population centers a computer draw is used to randomly select candidates for interviews.

The ideal candidate is honest, hard working, and a team player. The above student is applying for a position with this program, and part of the application process is to **have a teacher, counselor, administrator or coach, complete this reference form.**

Please take a few minutes to evaluate the above person on the following points:
