Dear Mr. and Mrs. Prater:

Re: Acceptance of Temporary Trust Water Donation  
Ground Water Certificate No. 928-D(C)

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your temporary donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned the control number 6566775. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 40 gallons per minute and 6.7 acre-feet per year. The purpose of the donation is to benefit the ground water aquifer in Grant County, Washington from April 22, 2015 to April 22, 2019.

**This trust water right expires on April 22, 2019.**

The parent water right, GW No. 928-D(C) authorizes the withdrawal of 40 gallons per minute and up to 6.7 acre-feet per year for community domestic supply. The recorded place of use is located in part of NW $\frac{1}{4}$ NE $\frac{1}{4}$  Section 20, T. 19 N., R. 28 EWM., Grant County, Washington.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

**Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right.** When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of your donation, you elect to extend the term of this temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request of any new or modified terms and conditions and you will be notified if the donation can be extended.

If you have questions or concerns, please call Ying Fu at (509) 329-3451.
