Dear Mr. Sorensen:

The purpose of this letter is to acknowledge Ecology's acceptance of your donation to the Washington State Trust Water Rights Program. The trust water right has been assigned the control number **CS4-SWC11311**. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 0.5 cubic-feet-per-second and 128 acre-feet per year. The purpose of the donation is to benefit instream flow commencing at approximately River Mile 497.5 on the Columbia River and terminating at the Pacific Ocean. The annual season-of-use is from April 15 to October 15.

This trust water right expires on October 15, 2030.

The parent water right, SWC11311, authorized the withdrawal of up to 128 acre-feet per year at a rate not to exceed 0.5 cubic-feet-per-second for the irrigation of 25 acres during the irrigation season. The recorded place of use is located within the NE1/4 of Section 9, T. 26 N., R. 22 E.W.M. This entire water right is placed in the Trust Water Rights Program.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.

If you have questions or concerns, please call Gary Steele at (509) 249-6299.
