

## Economically Disadvantaged Cities, Towns, & Counties in Washington State

The tables below identify the cities and counties eligible for reduced local match for July 1, 2015 – June 30, 2017. For oversight and independent remedial action grants, Ecology may fund up to 75% of the eligible project costs if the applicant is “economically disadvantaged.” Under the Remedial Action Grant Rule WAC 173-322A (15) and (16), a city or county is defined to be “economically disadvantaged” if its per capita income is equal to or below the median per capita income for the city or county as determined on July 1<sup>st</sup> of each odd numbered year based on the latest official American Community Survey five-year estimates of the U.S. Department of Commerce.
