SUBJECT: RCW 36.18.050 Fees in Special Cases and RCW 36.18.016 (11) and (12)

In the past, practice in this case was for the Yakima County Clerk's Office to maintain possession of signed, proposed orders for presentation. Effective May 3, 2010, attorneys and pro-se participants shall present their own proposed orders at time of hearing. The Clerk will file unsigned proposed orders if requested by any party. A working copy of all proposed orders shall be provided to the Court by the party proposing the order.

A \$30.00 fee is required, in advance, if a party is appearing telephonically and requires the Clerk to present an order on his/her behalf. A \$30.00 fee is also required for ex-parte motions and orders presented by the Clerk to the Court on behalf of the party making the request.

Please call Denny Herreid at (509) 574-1443 or Marla Pascal at (509) 574-1448 if additional information is needed.
