

Yard, garden and land clearing burning are not allowed in urban growth areas

- Contact your local planning department, (insert local info), to find out if you live in an Urban Growth Area (UGA)
- Look for the signs that indicate you live in a UGA
- Contact (insert local info) to find out what disposal options you have
- Someone else burning?
Call the Smoke Complaint hotline 1-888-211-6284

No Burn Area

**Outdoor Burning
PROHIBITED in
Urban Growth Areas**

RCW 70.94.743

Be the Difference - Breathe the Difference

Studies show that small particles of soot slide right past our natural defenses into the lungs, doing chemical and structural damage to the tissues. Particularly at risk are those with asthma and respiratory illnesses, children and the elderly.

WASHINGTON STATE
DEPARTMENT OF
E C O L O G Y

For information about burn restrictions, contact the Department of Ecology at (509) 329-3400.

For fire safety information, please call your local fire department.
