

# City of Moses Lake Tree/Brush Chipping Program

## Tree/Brush Chipper

The City of Moses Lake Tree/Brush Chipper Program will provide curbside pickup and a one day drop location to allow the citizens of Moses Lake the opportunity to dispose of brush and small tree trimmings.

Not only will individuals benefit, but the community as a whole, as neighborhoods are beautified and rid of waste.

In addition, the chips will be recycled and used to beautify city parks and facilities.
