

## WAC 197-11-970

### Determination of Nonsignificance

**Description of proposal:**

Ecology is proposing to amend:

- **Chapter 173-400 WAC** (General Regulations for Air Pollution Sources) to include new federal rules, and changes to federal rules since the last time Ecology amended this chapter.
- **Chapter 173-476 WAC** (Ambient Air Quality Standards) to include the new lower federal ozone standard and associated monitoring/measurement requirements.
- **Chapter 173-423 WAC** (Low Emission Vehicles) to incorporate by reference recent changes to California low emission vehicle standards.

**Proponent:** Department of Ecology

**Location of proposal:** The proposed rules apply statewide.

**Lead agency:** Department of Ecology

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impacts statement is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
