→ If you are registering as an Accountable Organization, check “This organization will report for themselves and/or others will report for it”. For more information on who is legally accountable to report on children’s products, see the [guidance document](#) on “Reporting Responsibility”. An Accountable Organization must be approved by the database administrator.

→ If you are registering a Non-Accountable Organization, check “This organization will only report for others.” A Non-Accountable Organization can only create reports using an Accountable Organization’s PIN. See the [help document](#) on “Reporting on Behalf of Another Organization.”
