SECURITY REQUIREMENTS

Contents
E.0 SECURITY ................................................................................................................. E.1
E.1 Security .................................................................................................................... E.1
E.1.1 Waiver ................................................................................................................... E.1

Part III, Operating Unit Group 4-E.iii
E.0 SECURITY
The 242-A Evaporator is operated to minimize exposure of the general public and operating personnel to dangerous waste.

E.1 Security
Refer to Permit Attachment 3, Security.

E.1.1 Waiver
A waiver of security procedures and equipment requirements is not requested for the 242-A Evaporator. Therefore, the waiver requirements outlined in WAC 173-303-310(1)(a) and (b) are not applicable.
