**ADDENDUM G
PERSONNEL TRAINING**

Specific requirements for the Hanford Facility Personnel Training program are described in the Hanford Facility Dangerous Waste Permit, Attachment 5. The Permittees will comply with the training matrix below, which provides training requirements for Hanford facility personnel associated with the 241-CX Tank System. Refer to the 241-CX Tank System Dangerous Waste Training Plan for a complete description of personnel training requirements. As required by Permit Condition II.I.2, a copy of the 241-CX Tank System Dangerous Waste Training Plan will be placed in the Hanford Facility Operating Record, 241-CX Tank System file, and will be updated by the Permittees as unit-specific conditions change.
