A complete description of the personnel training requirements are given in the NRDWL Dangerous Waste Training Plan (DWTP). As required by Permit Condition II.I.2, a copy of the NRDWL Closure Unit DWTP will be placed in the Hanford Facility Operating Record, NRDWL File, and will be updated by the Permittee as unit-specific conditions change. Training received by facility personnel will be commensurate with the duties they perform. Individuals are not required to receive training for work/duties they do not perform.
