

# 400 Area Waste Management Unit

## Change Control Log

Change Control Logs ensure that changes to this unit are performed in a methodical, controlled, coordinated and transparent manner. Each unit addendum will have a “**Last Modification Date**” which represents the last date the portion of the unit has been modified. The “**Modification Number**” represents Ecology’s method for tracking the different versions of the permit. This log will serve as an up to date record of modifications and version history of the unit.
