**ADDENDUM G**  
**PERSONNEL TRAINING**

1  
2  
3 Specific requirements for the Hanford Facility Personnel Training program are described in Permit  
4 Attachment 5. The Permittees will comply with the training matrix below which provides training  
5 requirements for Hanford Facility personnel associated with the Liquid Effluent Retention Facility  
6 (LERF) and the 200 Area Effluent Treatment Facility (ETF). Refer to the LERF & 200 Area ETF  
7 Dangerous Waste Training Plan (DWTP) for a complete description of the personnel training  
8 requirements. As required by Permit Condition II.I.1, a copy of the LERF & 200 Area ETF DWTP will  
9 be placed in the Hanford Facility Operating Record, LERF & 200 Area ETF file, and will be updated by  
10 the Permittee as unit-specific conditions change. Training received by facility personnel will be  
11 commensurate with the duties they perform. Individuals are not required to receive training for  
12 work/duties they do not perform.

**LERF and 200 Area ETF Training Matrix**

Permit Attachment 5, Training Category	Training Category						
	General Hanford Facility Training	Contingency Plan Training	Emergency Coordinator Training	Operations Training			
LERF & 200 Area ETF DWTP implementing category	Orientation Program	Emergency Response (contingency plan)	Emergency Coordinator Training	General Waste Management	Container Management	Tank System Management	Surface Impoundment
