Re: Revised Version of the *Hanford Facility Resource Conservation and Recovery Act Permit, Dangerous Waste Portion, Revision 8C, for the Treatment, Storage, and Disposal of Dangerous Waste, Part III, Operating Unit 10, Waste Treatment and Immobilization Plant, (WTP Permit), WA7890008967*

Reference: See page 2

Dear Madam and Gentlemen:

Enclosed is a revised version of the WTP Permit, which was originally issued by the Department of Ecology (Ecology) on March 17, 2014 (Reference). This reissuance corrects editorial errors and does not include new modifications to the WTP Permit. Therefore, the effective date is still April 16, 2014. The errors are listed on page 2 of this letter.

This revised version of the WTP Permit supersedes the hard copies and DVD submitted on March 17, 2014. Please update your records as appropriate.

Ecology is reissuing the WTP Permit for the following reasons:

- Correct the Publication Number to 14-05-004 for the *Response to Comments*, which is available at <https://fortress.wa.gov/ecy/publications/SummaryPages/1405004.html>.
- Delete the Permit Conditions III.10.H.5.f.v.K and III.10.J.5.f.v.K, as agreed to by Ecology in the *Response to Comments*.
- Add Appendix C2, which was missing from the DVD.
- Add previously approved modifications to the Appendix Table of Contents.

If there are any questions regarding this letter, please contact Nitya Chandran, WTP Permit Writer, at nitya.chandran@ecy.wa.gov or (509) 372-7931.

Sincerely,

Jane A. Hedges
