**RE: U.S. Army Corps of Engineers (Corps) Reference #NWS-2009-899, Order #8039
LaBounty Road Industrial Park Project, in wetlands and an unnamed stream, Ferndale,
Whatcom County, Washington**

Dear Mr. Jepson and Mr. Janicki:

On October 4, 2010, the Washington State Department of Ecology (Ecology) issued you a Section 401 Water Quality Certification (Certification) for the LaBounty Road Industrial Park Project. On April 6, 2015, Ecology confirmed with Whatcom County staff, Tyler Schroeder, that the County purchased the LaBounty Road Industrial Park Project property for a future development proposal. The County will need to submit a new application for the new proposal. Ecology is therefore officially **rescinding** the Certification Order #8039, dated October 4, 2010.

If you have any questions, please call Susan Meyer at (425)649-7168.

Sincerely,

Paul Anderson, Section/Unit Supervisor
