James Warjone
Salmon Bay Yacht Maintenance I, II, III, and IV, LLCs/
Bennett Adventures, LLC
2017 Parkside Drive E
Seattle, WA 98112

Dear Mr. Warjone:

**RE: Coastal Zone Consistency for Corps Reference #200400626
U.S. Army Corps Public Notice for Individual Section 10 permit to Authorize Construction
of a New Floating Pier, Five Floating Boat Sheds, and Drive 14 Steel Piles, Salmon Bay
(Lake Washington Ship Canal), King County, Washington**

The above-referenced Section 10 public notice issued by the U.S. Army Corps of Engineers for proposed work in navigable waters has been reviewed. On behalf of the state of Washington, we have no objections to the issuance of a Corps of Engineers permit under Section 10 of the Rivers and Harbor Act.

Pursuant to Section 307 (c) (3) of the Coastal Zone Management Act of 1972 as amended, the Department of Ecology concurs with your determination that this work is consistent with the approved Washington State Coastal Zone Management Program. This concurrence is based upon compliance with all applicable enforceable policies of the Coastal Zone Management Program.

Please note that this letter does not exempt the applicant from compliance with other requirements of federal, state, and local agencies. If you have any questions, please call Rebekah Padgett of my staff at (425) 649-7129.

Sincerely,

Geoff Tallent, Interim Section Manager
Shorelands and Environmental Assistance Program
