The Department of Ecology (Ecology) has reviewed the public notice issued 06/22/2007 for your proposed project. On behalf of the State of Washington, we have no objections to the issuance of a Corps permit under Section 10 of the Rivers and Harbor Act.

Ecology agrees with your determination that this work is consistent with the approved Washington State Coastal Zone Management Program per the Coastal Zone Management Act of 1972 (Section 307 (c) (3), as amended). This concurrence is based upon compliance with all applicable enforceable policies of the Coastal Zone Management Program.

Please note that this letter does not exempt the applicant from compliance with other requirements of federal, state, and local agencies. If you have any questions, please call Lori Enlund of my staff at (425) 649-7271.

Sincerely,

Geoff Tallent
