RE: First Amendment to Water Quality Order 4885 and Coastal Zone Management consistency determination for Corps Reference # 200700276 to place fill in approximately 0.10 acres of wetland to create a footing for a single-family residence in Puyallup, Pierce County, Washington.

Dear Mr. Arslangiray,

This letter amends the above-referenced administrative order the Department of Ecology (Ecology) issued on July 27, 2007. That administrative order authorizes you to fill 0.10 acres of wetland for the purpose of creating a footing for a single-family residence through June 1, 2007.

By this attached order, Ecology amends the original administrative order now authorizing you to perform construction through June 1, 2009. Only the original order authorizing work through June 1, 2007, is rescinded by this amendment. All other conditions of the administrative order remain in effect. Please contact Sarah Lukas at (360) 407-7459 or at salu461@ecy.wa.gov if you have any questions.

Sincerely,
