**RE: U.S. Army Corps of Engineers (Corps) Reference #200501330, Order #2941
I-5 Chamber Way Roundabouts project, Lewis County, Washington.**

Dear Ms. Michaliszyn:

On November 27, 2007 the Corps cancelled your Nationwide permit for the above-referenced project. Based on the Corps' action, the Washington State Department of Ecology (Ecology) is officially rescinding the 401 Water Quality Certification (401 Certification) dated January 30, 2006.

If you decide to proceed with your project in the future, you must reapply for a 401 Certification and CZM consistency determination at that time.

If you have any questions, please call Lisa Rozmyn at (360) 407-7032.

Sincerely,

Brenden McFarland, Section Manager
Environmental Review and Transportation Section
