

*Meeting sponsored by the State Ocean Caucus**

Public Meeting: Washington's Ocean Resources

**WHEN: Wednesday, May 28, 2008
5:30 pm**

**WHERE: Willapa Harbor Community Center
916 West First Street
South Bend, WA 98586**

Learn about new science on ocean conditions, local marine resource committees, beach cleanups, plans for *Spartina* removal, and State Parks' planning efforts.

Get an update on ocean and coastal issues.

- What issues and activities are state agencies focusing on for the outer coast?
- West Coast Governors' Agreement on Ocean Health

Discuss local issues and activities and share your insights related to ocean and coastal resources.

*The State Ocean Caucus is an interagency ocean team. This group includes representatives from state agencies involved in ocean and coastal resource activities. They act on the recommendations of the Ocean Policy Work Group and foster continued involvement and participation by local communities, coastal tribes, business and environmental interests, federal agencies, academics, and others in their efforts.
