

*Meeting sponsored by the State Ocean Caucus**

Public Meeting: Washington's Ocean Resources and You

**WHEN: Wednesday, October 15, 2008
6 pm**

**WHERE: Ocean Shores Convention Center
120 W. Chance A La Mer Ave.
Ocean Shores, WA**

Learn about Washington coastal erosion trends and ocean research and science conducted by the Quinault Indian Nation and others.

Get an update on ocean and coastal issues and activities.

- Emergency management for coastal hazards
- West Coast Governors' Agreement on Ocean Health
- Sea Grant Regional Research Plan
- And other efforts by state agencies on the outer coast

Discuss local issues and activities and share your insights related to ocean and coastal resources.

***The State Ocean Caucus is an interagency ocean team. This group includes representatives from state agencies involved in ocean and coastal resource activities. They act on the recommendations of the Ocean Policy Work Group and foster continued involvement and participation by local communities, coastal tribes, business and environmental interests, federal agencies, academics, and others in their efforts.**
